4.3. Jury is formed to conduct the Competition. The jury consists of methodologists of the State Enterprise «Methodological Center», the Information Center for Atomic Energy of the State Enterprise «Palace of Schoolchildren» social partners of colleges.

4.4. The functions of the jury include: approving the competition tasks, checking the performance of the competition tasks by the participants, evaluating the results of the test, determining the rating of the participants and determining the winners of the Competition, awarding the contestants.

4.5. The procedure for holding the Competition.

Competition of video lessons «**LinguaPro**» for teachers of special disciplines of the specialty "Translation Studies". Duration - no more than 15 minutes.

Evaluation criteria:

- innovativeness of the lesson (the relevance of the chosen topic, the use of active teaching methods, the completeness of assessment and constructive feedback);

- building a lesson (scientific, logical, the relationship of all its parts, the availability of presentation);

- educational and developmental component (contributes to the expansion of the general outlook, the development of intellectual abilities, the education of professionally important personal qualities);

- correcting pronunciation and culture of the teacher's speech;

- development of practical language and translation skills of the students, the absence of grammatical and stylistic mistakes in written or oral speech;

- the quality of video recording of the lesson and compliance with the duration of the lesson.

Intellectual game «**The way to language**» for students of the specialty «Translation».

The game consists of 6 rounds:

- 2 rounds of 10 and 15 questions for the knowledge of the English language;

- 1 comparative round in literary translation - 10 questions;

- 1st round competition of captains for general translation - 5 questions;

- 2 rounds of logical tasks - 5 questions.

1 minute is given for discussion of each question.

Answers are accepted on special forms with the corresponding question number.

Each correct answer is awarded from 1 to 2 points. The results are summed up after each round of the Game. At the end of the Game, the results of the entire Game are summed up and the winner is determined by the amount of points scored. The decision on the correctness of the answer is made by the jury.
